

**TRACEY MINER MEMORIAL
FUND**

The Tracey Miner Memorial Fund, established in 2003, was created in memory of Tracey Miner, a young, enthusiastic, vibrant and kind young man who tragically lost his life in a car accident on May 6, 2003.

The Fund's main goals are to help support youth activities in the North Phoenix area, where Tracey was from, and to help families that have found themselves in dire situations beyond their control. Tracey was very active in this community and his spirit lives on in the great deeds that the Fund is able to do in his name.

The Tracey Miner Memorial Fund has helped send several students to camps sponsored by the YMCA, the Boy Scouts and Baseball Camps. It has also helped other families bury their lost-too-soon children. It has helped families cover medical expenses when members were diagnosed with life threatening illnesses and helped support families with school age children so they can continue to receive an education.

If you would like to contribute to the Tracey Miner Memorial Fund, or know of someone who may need their help, please contact Barb and Larry Miner at 602-377-1892.

Thank you very much for all your support.

This year is our fifth anniversary and we can't help but look back over the years. It is rewarding to see how the tournament has grown and expanded.

We are very proud to support the Tracey Miner Memorial Youth Fund. Many wonderful things have been done in Tracey's name over the last five years and we would like to thank all of our friends, partners, vendors and customers in helping us make that happen.

Sincerely,

The Rummel Construction Team
