There is no better way to remember Tracey than by playing a round of golf, his favorite pastime. Fortunately, this round of golf not only keeps his memory alive, but helps children in the North Phoenix area, another way Tracey spent his free time.

The Tracey Miner Memorial Fund was established last year to help youth and youth sports. This past year, the fund has helped several kids attend camp, provided training for the local Boy Scout leaders and assisted a family bury their own lost-too-soon son.

Thank you for joining us in the 2nd Annual Tracey Miner Memorial Golf Tournament. We appreciate that you are here celebrating his life and helping us continue to keep his memory alive through the Memorial Fund.

Sincerely,

The Rummel Construction Team
